Before we start the process of issuing you with a refund I would like to take this opportunity bring ELAND’s community project to your attention. **Our Mission** is to develop and implement education, health, and economic opportunities for Maasai communities and their neighbors through the exchange of ideas, skills and sharing of experience. **Our Vision:** We envision a just, progressive and Self-Sustaining community for the Maasai people.

Your donation can transform the lives of children and families through ELAND's educational, health, environmental and economic efforts. Education transforms lives. Education raises children out of poverty and creates a future of men and women who can thrive in the modern world, even if clothed in the traditions of the ancients. Education then is ELAND's most urgent priority for the Maasai people. ELAND emphasizes education because it is transformational. It changes lives and unlocks every person's God-given potential. Without and education a child has little hope of breaking free from the destructive cycle of poverty and reaching his/her full potential Could I ask you to think about donating some of your program fee towards ELAND’s child sponsorship program?

Full Annual child Sponsorship (US\$360.00) covers the costs of one child's room and board, meals, education, healthcare, and clothing. We have children waiting for sponsorship in our program. Though you can no longer volunteer yourself at this time, you can make a huge difference in the life of a child in need.

Know that any donation you give will make a difference, and will be greatly appreciated. By educating girls and women you increase their decision making power and help educate the next generation of Africa leaders. ELAND is a 501(c)(3) tax-exempt nonprofit organization, therefore your donation is tax deductible.

Please let me know which of the following options you prefer:

1. Please donate 80% of my program fee to sponsor a child.
2. Please donate 50% of my program fee to ELAND and refund the remainder.
3. Please donate US\$ _____ of my program fee to the ELAND and refund the remainder.
4. Please refund 80% of my program fee.
